2011 • 20122 Season Skiers Responsibility Code

Four Lakes Ski Area Management reserves the right to cancel this application or the skiing/snowboarding privileges of any member listed on the application without refund, if in the opinion of the Ski Area Management the current rules and regulations are not observed.

YOUR RESPONSIBILITY CODE

Skiing and Ski Racing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers and snowboarders the responsibility for a great skiing and snowboarding experience.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead or downhill of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

KNOW THE CODE. IT IS YOUR RESPONSIBILITY!!

This is a partial list. Be safety conscious!!!

I have read and understand the rules and regulations of Four Lakes Ski Area. I agree to abide by the above stated rules and regulations. Any Season Pass applicants must read and sign this form.
